*A Drummer's Journey*

by John Wyre

***2nd Edition Now AVAILABLE at a special commemorative price  
from William L. Cahn Publishing***

**TOUCHED BY SOUND** was written in 2002 by the late John Wyre, a founding member of the percussion group, NEXUS, and the artistic director of World Drums. His reflections on the nature of drumming, music performance and life are inspiring, and his experiences as timpanist with major orchestras (Toronto, Boston) and his friendship with composers (Cage, Takemitsu), conductors (Seiji Ozawa, Sir Andrew Davis), and renowned musicians (Red Norvo, Ed Thigpen, Glen Valez) all contributed to his quest for music in all of its forms - a passion joyfully shared in this book.

**“Let the drum be your teacher. Your instrument is a school for the imagination. The university of life offers no degrees, but teaches us that learning is the daily evolution of our collective experience. Share your knowledge, build a bridge to a new culture.)**
